

## **Agenda – FS Workshop**

**Welcome – facilitator - “We heard you -- people wanted to have an option for input before EPA came out with a plan; don’t do this at every site”**

### **Key points:**

- **Brainstorming process; all ideas “game,”**
- **Not weighing merits of ideas, that happens during PP comment period**
- **This isn’t end of opportunities for public comment**
- **How information will be used**

### **Review of Format**

**Goal: EPA, DNR are looking for the factors that affect the acceptability of the cleanup methods.**

**Remedial Inv. Summary (10 min)**

**Waterfront Dev. Plan (5 min)**

**Review of Nine Criteria – explain how decisionmaking is tiered (10 min)**

**Kinds of approaches being evaluated – DVD for sediment (20 min)**

### **Breakout Groups:**

**1. Have participants rearrange themselves according to number.**

**2. Review the goal and breakout format**

**- quiet time to think of issues**

**- 5 issues per person on card; 5-6 words per card (1/2 hour)**

**- cards on breakout group flipchart**

**- clarify if needed; facilitator to read aloud; combine duplicates, lump if needed**

**- prioritize with 1 red dot, 2 green per person – gives a strength of feeling (15 min)**

**- facilitator to bring up front**

**- break so everyone can look at all the flipcharts (15 min) -- Main Facilitator makes title cards**

**Regroup for Facilitator to read broad category of concerns**

**Next steps**

### **Misc.**

**Make sure DVD available locally**

**Ashland Daily Press feature article? Clare Ducquette – News Editor**

**3 sec, 30 sec and 30 minute message**

**People: Scott, Jamie, Craig, Xcel serve as resources**

**Breakout facilitators: Bri, John, Patti, Kim, need 3 or 4 others**

**6-10 per table, no members of the project team**
